RAFFY'S OCEAN FRIENDS

Make patterns with Pip

Pip makes patterns in the sand. What could you make with a line, a loop and a little time?

You need: a pencil or crayons and this page.

1. Start with a little circle or a curvy line.
2. Add loops, bumps or lines around it.
3. Keep going, or leave a quiet space. It is your pattern.

A little starting circle, if you would like one.

Try it together

Ask, "Room for one more?" Take turns adding a line, or enjoy watching. Give your friend time to answer.

Grown-ups: Try it on paper first. If you make patterns outside, explore together and leave plants, animals and their homes undisturbed. Take everything you brought home.

Meet Pip and Scribbles in Raffy and the Walking Shell.
